

ELITE

Connecting companies with capital

ELITE is a programme designed to help SMEs prepare and structure for the next stage of growth through the access to long term financing opportunities.

ELITE is dedicated to the most exciting and ambitious SMEs having a sound business model, clear growth strategy and a desire to obtain funding in the near future.

ELITE offers an innovative approach, including a training programme, a working zone supported by a tutorship model and direct access to the financial community through dedicated digital community facilities. It is "capital neutral" to any financing opportunity, providing access to Private Equity and VC funds, debt products.

ELITE companies have access to a vibrant community which facilitates long-term structured engagement between ambitious businesses, industry experts and the investor and corporate advisory community. The long term objective of ELITE is to improve SMEs' access to more sophisticated skill-sets, a wider network and a diversified capital pool in order to accelerate growth opportunities.

How does ELITE work?

A comprehensive training programme for founders and managers delivered by academic professionals, industry experts and other entrepreneurs to stimulate cultural and organizational change, understand the language of the financial community and help in evaluating long term financing opportunities.

Progressive adoption of new management practices, financial competencies and governance structure in order to be prepared to deal with international investors.

Capitalise on the benefits associated with the new model and access new business, networking opportunities and funding options, thanks to the vibrant International ELITE community of advisors, investors and stakeholders.
